Special Note about parking

We are neighbors with another group who will be teaching a class on Tuesday evenings, so the normal parking area may be full. We recommend parking on the street in front of the landowner's home (next door) and walking over to the agility field. There is a walking path that connects the two parts of Chappell Lane.

Club Rules & Code of Conduct

General Rules

1. Dogs must be under owner's control at all times. The club reserves the right to excuse off the property any dog that demonstrates aggression towards people or other dogs.
2. Austin K-9 Xpress (K9X) is a positive training club. We do not allow the use of prong collars, choke collars or electronic training collars while working on the field and around the equipment. Harnesses and head collars (also known as a "Halti" or "Gentle Leader") are also not safe to use around agility equipment. Flat buckle or quick release collars are allowed (no hanging tags). We also allow martingale/limited-slip collars (aka "Premier" or greyhound collars).
3. Class participants must be current on field fees. Use of the field outside of classes is for K9X members only who are current on their field fees. If you work your dog early or late, please keep all noise down. Remember that Wikazri Training Field is in a residential area. A barking dog at 6 a.m. on Sunday morning is not welcome. Basic hours are from 8:00 a.m. to 9:30 p.m. every day.
4. Use the grass near the parking area to walk your dog and always pick up after your dog. Only Wikazri members or K9X members who are current on field usage fees may use the general exercise field. You can deposit your waste bags in the trashcan provided in the agility field area.
5. Bitches in season are not allowed on the agility field (or the Wikazri field).
6. Members using the facilities agree to maintain the site, including returning any stored equipment to its proper place (chute, tunnels, tunnel supports, cones, etc. in the shed). If the A-frame height is changed for training purposes it must be returned to the 5'6" (middle) height when finished.
7. The use of the club's equipment or the facilities by children or adults who are not K9X members or class participants is strictly prohibited.
8. Be considerate of others while using the field when working outside classes. Share the equipment and help put the equipment away when you are finished.
